This web page features a range of useful Linguaskill practice materials and learning resources including:

Linguaskill test familiarisation

- **Online practice tests** - our practice tests help learners get comfortable with the format and layout of the test whilst also providing feedback.
- **Online sample tests** - these online sample tests help familiarise learners with the types of questions featured in Linguaskill.
- **Writing assessment criteria and sample responses** – these task types demonstrate the content that needs to be written in order to achieve the different CEFR levels.
- **Special requirements sample materials** – sample materials for those with special requirements.

English language learning resources

- **NEW Write & Improve** – an online writing practice tool which now includes specific Linguaskill Business-related writing topics.
- **Speak & Improve** - a great way for learners to practice their speaking skills and get used to the experience of taking an online speaking test like Linguaskill.
- **Free online activities** – 85 free activities to help learners practise their English.
- **Games and online communities** - playing games, watching videos and talking to other people are all great ways to help learners improve their English.

We encourage you to share these Linguaskill preparation resources with your customers to ensure they are supported in these challenging times. We will be in touch next month with some exciting new learning materials.

Best wishes,
