Key English Test / A2 Key is an examination targeted at Level A2 on the Council of Europe's Common European Framework of Reference but reports results for candidates demonstrating ability from Level A1 to B1.

Candidates achieving Grade A (between 140 and 150 on the Cambridge English Scale) receive a certificate stating that they have demonstrated ability at Level B1. However, A2 Key is not designed to assess the full range of skills at Level B1 and it is recommended that candidates prepare for and take the B1 Preliminary exam to fully develop and demonstrate their B1 ability. Candidates achieving Grade B or Grade C (between 120 and 139 on the Cambridge English Scale) receive a certificate at Level A2.

Candidates whose performance is below Level A2 but falls within Level A1 (100-119 on the Cambridge English Scale) receive a certificate stating that they have demonstrated ability at Level A1.

This is an official Statement of Results. To verify the results, use the Results Verification Service https://www.cambridgeenglish.org/verifiers.
