Preliminary English Test / B1 Preliminary is an examination targeted at Level B1 on the Council of Europe's Common European Framework of Reference but reports results for candidates demonstrating ability from Level A2 to B2.

Candidates achieving Grade A (between 160 and 170 on the Cambridge English Scale) receive a certificate stating that they have demonstrated ability at Level B2. However, B1 Preliminary is not designed to assess the full range of skills at Level B2 and it is recommended that candidates prepare for and take the B2 First exam to fully develop and demonstrate their B2 ability. Candidates achieving Grade B or Grade C (between 140 and 159 on the Cambridge English Scale) receive a certificate at Level B1.

Candidates whose performance is below Level B1 but falls within Level A2 (120-139 on the Cambridge English Scale) receive a certificate stating that they have demonstrated ability at Level A2.

This is an official Statement of Results. To verify the results, use the Results Verification Service https://www.cambridgeenglish.org/verifiers.
